The Professional Summary section of your resume is a place for you to write a narrative or summary of your relevant professional experience, skills, and accomplishments. Think of your Professional Summary as a teaser for the employer to read the rest of your resume. Remember to use well known companies or products and numbers when possible.

- Get clear on audience.
- Outline what information you want to include.
- Years of experience.
- Notable industries or companies.
- Core skills & keywords.
- 1-2 notable accomplishments.
- Use first person and make sure your first sentence hooks the reader in.
