EDUCATION

Master in Computer Application	08/2023 - Present
VidyaVardhini Institute of Technology And Engineering	Mumbai
Bsc.I.T	07/2020 - 05/2023
Viva Institute of Technology	Mumbai
CGPA 8.87 / 10	
HSC in Science	07/2017 - 03/2019
Kapol College	Mumbai
Percentage 54%	

PERSONAL PROJECTS:

1) E-Commerce Website 02/2023 - 06/2023

Description: A robust MERN stack eCommerce website facilitating online shopping experiences, implementing user authentication, product catalog, shopping cart, checkout and payment processing, and security measures.

Technologies Used:

- Front-end: React, JavaScript
- Back-end: MongoDB, NodeJS, Express.JS
- Database: MongoDB

Key Achievements:

- Implemented secure user authentication and authorization system.
- Integrated a dynamic product catalog with advanced search and filtering options.
- Designed an intuitive shopping cart and streamlined the checkout process for enhanced user experience.

2) Movie Website 07/2023 - 08/2023

Description: A movie website project utilizing React and TMDB (The Movie Database) API, displaying movie data, implementing search functionality, and ensuring responsiveness across devices.

Technologies Used:

- Front-end: React, JavaScript

Key Achievements:

- Integrated TMDB API to fetch and display real-time movie data.
- Designed an engaging user interface with intuitive navigation for seamless browsing.
- Ensured website responsiveness across various devices for optimal user experience.

SUMMARY

"As a recent BSc. I.T. graduate with a passion for web development, I possess a solid foundation in programming, including HTML, CSS, and JavaScript. My academic projects and practical coursework have honed my skills in creating engaging and user-friendly websites. Eager to apply my knowledge and learn new technologies, I am enthusiastic about contributing to dynamic web development projects and further enhancing my capabilities in a professional environment."

SKILLS

Programming Languages: • JavaScript •

React • MySQL • Node.Js • php • Redux •

Api • Java

STRENGTHS

- ★ Frontend Development Concepts
- ★ Adaptability and Continuous Learning
- ★ Web Development Frameworks and Libraries
- ★ Organization and Time Management
- ★ Organization and Time Management

CERTIFICATES

JavaScript Fundamentals

Udemy

Certified Web Developer from Scratch

Eduonix

Java Programming Certification

Simplilearn

ADDITIONAL SKILLS

Programming Languages:

JavaScript Java

React Php

NodeJs Redux

MySql Api Development

COURSES/TRAINING

JavaScript

"Completed a comprehensive JavaScript course covering essential concepts such as variables, functions, control flow, DOM manipulation, event handling, and asynchronous programming. Proficient in writing clean, efficient JavaScript code and applying modern development practices to enhance web application functionality and user experience."

MERN Stack

"Successfully completed a rigorous MERN stack course, gaining expertise in building full-stack web applications using MongoDB, Express.js, React, and Node.js. Proficient in designing, developing, and deploying scalable, data-driven applications, incorporating RESTful APIs, real-time updates, and responsive user interfaces. Demonstrated proficiency in integrating different technologies to create a seamless and robust end-to-end development experience."

Web Developer

"Completed an intensive web development course covering HTML, CSS, JavaScript, responsive design, and front-end frameworks. Developed a strong foundation in building user-friendly, visually appealing websites and web applications. Proficient in utilizing various web technologies and tools to create dynamic and interactive web solutions that meet modern industry standards."

LANGUAGES

English Advanced 

Marathi Native 

Hindi Proficient 

EXTRA CURRICULAR

★ Participation in HackerThons .

★ Contribution in Others project

★ Leetcode Competitions.

VOLUNTEERING

Spandan College Fest

Viva College/Mumbai University
11/2022

"Devoted volunteer with a passion for community service and making a positive impact. Dedicated time and effort to various causes, demonstrating strong organizational skills, teamwork, and a commitment to social responsibility."
